

## DT Assignment of 3<sup>rd</sup> Week

### Problems:

1. Lack of Stationary Items.
2. Lack of Innovative Teaching Methods.
3. Limited number of Charging Points.
4. Few Breaks in Between the classes.
5. Limited number of notes for studying.
6. Drying of Jackets and Umbrellas

### Solutions:

1. A single space on the teacher's table that has different types of stationary. Students use a token system to borrow them.
2. Using interesting ways to teach.
3. Each bench can have their 2 charging points.
4. Providing breaks between each class.
5. Each class can have a sort of digital library where teachers can upload guidebooks, notes, ppts, etc
6. Drying station at the entrance of the class.
